

We've already been busy this year with Family Promise, Serenity Bags, Personal Care Bags, and supporting Threads for Teens with clothing for high school students. We also just distributed **CRS Rice Bowls** for Lent. We hope to have more varied activities as the year progresses.

Upcoming activities:

Supporting **PFADP** (People of Faith Against the Death Penalty) – There will be three prayer vigils in March for men facing executions:

3/05/2015 Rodney Reed

3/11/2015 Manuel Vasquez

3/18/2015 Randall Mays

Vigils are held in front of St John's UMC on University at 15th St. from 5:45 – 6:15pm the night of each vigil. If you'd like to be added to the PFADP email list, let me know. There are sometimes last minute changes, and we try to notify participants ahead of time.

Personal Care Bag (PCB) packing – We will pack PCBs on Sunday, March 29 starting with set-up at 11:00am. **We need to be finished that day by 12:45**, so we will start packing as soon as we are set up. If anyone can help anytime between 11:00-12:45, please join us in the Conference Center.

We will **NOT have a meeting in March** (our regular meeting time is during Spring Break), unless something new comes up. I will keep you posted on any activities by email.

Our next meeting will be Thursday, April 16 at 6:15pm in the Conference Center.

Thanks!

Beth
